

MEDIA RELEASE

November 2, 2022

Kamloops Airport announces the traveler numbers for Q3 of 2022, as compared to the same period from the previous year and to that of 2019 Pre-Covid performance.

	2021	2022	Change
Q3 Travelers	28,773	67,327	134%
July	7,310	21,846	199%
August	10,104	23,185	129%
September	11,359	21,666	91%
YTD	45,985	180,701	293%
	2019	2022	Change
Q3 Travelers	84,748	67,327	-21%
YTD	269,726	180,701	-33%

Passenger numbers for Q3 reflect the continued recovery from the negative impacts of the COVID-19 pandemic as passengers return to the skies for business and leisure travel. Although COVID-related travel restrictions have been lifted, passengers are reminded that the global airline industry continues to experience challenges with crew resources and flight interruptions and to monitor flight status closely for schedule adjustments.

During the upcoming holiday season, passengers are also encouraged to complete their check-in online to avoid extended wait times at the airport.
